

# GURNARD: YOUR VISION OF THE FUTURE STEERING GROUP MEETING 13<sup>th</sup> APRIL 2005

The meeting was held "on stage" at Gurnard Primary School, starting at 7.15pm.

## **Present:**

Richard Day (Chairman), Brenda Schofield, Liz Jackson, Bryan Salter, Belinda Williams, Sheila Caws and Rusty Adams.

## **Apologies:**

Apologies were received from Tony Hathaway.

## **Matters Arising from 9/3/05:**

The questionnaire box from the Sailing Club is now considered lost.

## **Camera Project Analysis**

All paper analyses are now complete, and spreadsheets updated. No further work is currently planned, unless the need for a further breakdown is identified later.

## **1<sup>st</sup> Questionnaire Analysis**

Again, the analyses are considered more or less complete. The list of additional comments was mostly "new" information that didn't feature on the questionnaire and so endorsement of these points was sought by those attending the Planning for Real exhibition on 19<sup>th</sup> March, and a summary has been produced. It was felt that obtaining further endorsements would be a useful exercise, and the May Queen event on 7<sup>th</sup> May might present the opportunity. It was agreed that there appears to be no need for a 2<sup>nd</sup> questionnaire.

## **Children's Questionnaire**

520 were distributed between both schools and a total of 103 have been returned, which works out at about 21% - a better result than the adults'. Brenda Schofield broke the responses down into age groups as follows: 4-5 year olds (23), 6-7 year olds (25), 8-9 year olds (27), 10-11 year olds (20) and 12-13 year olds (8). The poor response from the older children was explained as them not identifying with living in the Village. The comments from the back of the questionnaires have not been listed yet. It was agreed that the results should be produced in a similar format to the adults' results to enable cross referencing, and **Bryan Salter** agreed to do this.

## **Planning for Real Exhibition 19<sup>th</sup> March**

About 150 people visited the exhibition, and included in this was Andrew Turner MP and the IW County Press. The total fund raised from the refreshments came to £48.30, which was donated to the All Saints Fish Project, and a letter of thanks has been received. The model was used by most of the visitors and the flags were all removed at the meeting for analysis. All the flags had their location written on the back by the Steering Group and **Belinda Williams** will produce a list, hopefully for this Friday (15<sup>th</sup> April), which **Rusty Adams** will collect. It was agreed to see if the Planning for Real exercise could be repeated at the May Queen event, and **Richard Day** will ask Tony Hathaway if this is possible, and also if the stage area might be suitable. **Rusty Adams** will see if one pack of display boards can be borrowed from the IW Council again, and if so **Richard Day** will transport them both ways (Friday 6<sup>th</sup> May/Monday 9<sup>th</sup> May). **Richard Day, Bryan Salter, Brenda Schofield and Belinda Williams** would be available to help set up and man the exhibition, meeting at the school at Noon, and hopefully **other Steering Group members** may also be available to help for some of the time? **Belinda Williams** will ensure a sufficient quantity of cocktail sticks are available, and **Bryan Salter & Tony Hathaway** should have the flag paperwork from the 1<sup>st</sup> exhibition.

## **Final Publication**

A Project Manager was not identified at the next meeting, but this post should be filled a.s.a.p.. Myles & Fiona Seamore were not able to visit on 19<sup>th</sup> March, but they have seen the questionnaire results and feel there is a sufficient response to work with. It was agreed that "The Seamores" should be invited to the next Steering Group meeting, and **Rusty Adams** will ask **Tony Hathaway** to arrange it. There was some early discussion about the number of

copies to be printed and the costs involved, as well as the extent of distribution within the Village (ie: Village Organisations etc.), but a firm decision will be made later. It is planned to place the whole completed document on the Parish Council website eventually. Once the Steering Group has finished with the model, it was agreed that it will remain at the school.

**Next Meeting:**

Monday 9<sup>th</sup> May 2005 – 7.15pm at Gurnard Primary School (if Myles & Fiona Seamore can make it, or alternatively Monday 23<sup>rd</sup> May). **Rusty Adams** will confirm with everybody.

The main focus will be the arrangements for the “Final Publication”

The meeting closed at 8.30pm.
