

GURNARD: YOUR VISION OF THE FUTURE STEERING GROUP MEETING 3rd OCTOBER 2005

The meeting was held on the stage at Gurnard Primary School, starting at 7.15pm.

Present:

Bryan Salter (Chairman), Liz Jackson, Miles Seymour, Graham Lloyd, Brenda Schofield and Rusty Adams.

Apologies:

Apologies were received from Richard Day, Tony Hathaway & Sheila Caws.

Matters Arising from 19/9/05:

All forthcoming meeting dates set at the last meeting have been confirmed by the school. The award for Daisy Turton's street name sign design is in hand, but **Rusty Adams** will maintain liaison with the Gurnard Village Partnership.

Final Publication

IT WAS AGREED THAT EACH SECTION/HEADING SHOULD BE COMPLETED IN TIME FOR THE NEXT MEETING, TO ENABLE A START TO BE MADE ON THE ACTION PLAN.

Historical Background:

Following discussion with Sheila Caws, it was agreed to leave the date sequence on page 3 as it originally appeared.

Planning Policy & Land Use:

Bryan Salter has produced a hand-written 1st draft, which included a Unitary Development Plan statement as well as UDP maps downloaded from iwight.com. **Bryan Salter** will hopefully complete this during the week.

Traffic & Parking:

The reworking of this section was not available, due to **Richard Day** not being present. Hopefully it will be available before the next meeting.

Public/Community Transport Services:

Miles Seymour has produced a reduced section on the 3 bus routes, rather than move all it to the appendices as agreed at the last meeting. A reference has been included pointing to the appendices for the full details.

Housing:

Bryan Salter produced a 1st draft, which was handed round. This included the aspirations drawn out from the consultation process for future development, and it was agreed that reference will be included to refer to the appendices for the full details. Action points need to be produced, perhaps highlighting issues such as a housing needs survey for affordable housing etc.. It was agreed to include some photos too of different housing types, using some of Charlie Barnard's material and **Miles Seymour** agreed to complement them by taking fresh pictures as required.

Recreation, Sports & Leisure:

Graham Lloyd produced a reworked section, which included additional information as highlighted at the last meeting. Miles Seymour has already incorporated this into the document.

IW Council Services:

Miles Seymour has made a start on this section, by listing services provided that are not featured elsewhere in the document as well as making reference to consultation feedback where appropriate. It was agreed to add footpaths and pavements, as well as green space and beach maintenance. **Miles Seymour** will complete for next meeting.

GURNARD: YOUR VISION OF THE FUTURE STEERING GROUP MEETING 3rd OCTOBER 2005

Edwin Smith:

This summary was not available due to Richard Day not in attendance. Sheila Caws was reported to be ill at ease with mentioning a personality in this section, but it was agreed to defer a decision until **Richard Day's summary** has been seen.

Community Consultation:

Page 11 – left hand column - Children's Questionnaire – 2nd para – it was agreed to include the 6 references to percentages that immediately follow "77 possible improvements....."

Forward:

This should explain the Parish Council's decision to produce the Parish Plan, and also include a reference to the Countryside Agency. **Miles Seymour** will produce a 1st draft.

Summary:

It was agreed this should summarise the consultation process and the points raised in key sections from the main body of the document. There should also be a reference to the Action Plan, and **Bryan Salter** will produce a 1st draft.

Vision Statement:

This should be a collective statement, and it was agreed this will be dealt with later.

Action Plan:

All sections need to be completed before this can be compiled. There was some discussion about perhaps devoting a meeting/s just for this section. This will be discussed later.

Conclusion:

It was agreed to delete this section from the document.

Appendices:

Miles Seymour will make a start on gathering the references to the appendices already featuring in the document. **Bryan Salter** also has some information that will be included.

Miles Seymour will e-mail the latest amended document to Bryan Salter and Rusty Adams, and **Bryan Salter** will e-mail the Housing section to Miles Seymour and Rusty Adams.

Forthcoming Meetings:

Thursday 20th October 2005 (**PLEASE NOTE CHANGED DATE**)

Monday 31st October 2005

Both at 7.15pm at Gurnard Primary School.

The meeting closed at 8.35pm.

..... Clerk to the Council
