## A LETTER FROM ALL SAINTS'

As I write this letter it is only two weeks since we celebrated the birthday of Jesus, the babe of Bethlehem. The popular carol goes 'Love came down at Christmas. Love all lovely, Love divine'. Jesus subsequently grew up and showed us what real love is and how it can change the world. It is the completely unselfish and unconditional love which is directed outward, showing care and compassion towards others and seeking no reward.

Unfortunately society all too often displays the selfish kind of love which looks inward towards self and expects something in return. It may be the desire of 'one good deed for another' or the aim of getting 'brownie points' or even worse, 'self-glorification'. This kind of love is displayed by people in all walks of life, no matter what colour, faith or creed. But the only kind of love which can change everything for the better is the unselfish, sacrificial love of Jesus.

On February 14<sup>th</sup> we celebrate St. Valentine, the patron saint of lovers. He was a Roman priest at a time when Emperor Claudius II was persecuting the Christian church. Claudius prohibited the marriage of young couples because he believed that unmarried soldiers fought better for not having wives and families to worry about. It was also a permissive society in which polygamy was much more popular than marriage. But Valentine encouraged them to marry within the Christian church and married them in secret against Claudius' command not to. He was eventually caught and imprisoned. While in prison it is said that Valentine prayed with and healed the blind daughter of Asterius, one of the judges. It made such an impact on him that Asterius himself became a Christian.

In 269 AD Valentine was sentenced to death because of his stand for Christian marriage. The story goes that the last words he wrote were in a note to Asterius' daughter, which he signed 'from your Valentine'. This is said to be the inspiration behind the romantic sentiments of what we now celebrate as Valentine's Day. But while our thoughts of Valentine have invoked this more romantic side to our human thoughts and actions we should never forget that like many other saints and martyrs, Valentine stood up for his faith, his Christian values and principles, and in his desire to better the lives of others, in a completely unselfish and ultimately sacrificial way.

Perhaps we might take a leaf from his book and when we see someone in need we lay aside our own selfish desires and help without expecting a favour in return. Maybe even put ourselves out along the way. We may never need to sacrifice our life – but we can sacrifice a little comfort, a few pounds or a few hours. This month don't dwell on the cards, flowers, chocolates (although they will always be welcome!) but concentrate on the true meaning of unconditional, real love: Jesus thought we were worth it, I am sure your loved ones deserve it too.

### Who or what is your church? Part One

Aware that we don't really advertise in our own parish mag, we thought we would write a little note to tell you a little more about ourselves....

The church is open every day, generally from 10am to 5pm, for you to come in and sit, think, pray, question.

And it is not just the church for the members inside....the Church of England's parishes have the unique privilege to cover every inch of the country, so every house has a parish church which is theirs. This means you have a right to get married, have your children baptised, and have your funeral in the church, whether you are a regular visitor or have never stepped foot in the building!

And whilst the establishment of the Church of England has not changed, we in the church have!!! All our ministers are happy to have CD music in all types of services (both funerals and weddings) and we also welcome secular poems or pieces of prose said in the services.

Pop in, come and speak to us, give me a call or just drop me an email or letter (tel no: 294913, email: [amandacollinson01@gmail.com](mailto:amandacollinson01@gmail.com), address: The Rectory, Chawton Lane, COWES PO31 8PR) if you have any questions or queries, but most importantly please do not have an out of date idea of who we are, what we do and don't do!

**COFFEE AND CHAT**  
**THURSDAYS 10.15am**  
**AT ALL SAINTS YOUR VILLAGE CHURCH**

The Coffee and Chat mornings at All Saints started over a year ago, and have gone from strength to strength. The idea behind the mornings is to provide a place where anyone can come along. You don't have to be a member of the church to come and you can pop in on your own, or with a friend, neighbour or relative. We offer our whole village community a place to come and relax and be with other people; a place where you can be yourself, whether that is happy or sad, exhausted or relaxed, worried or calm, everyone is welcome.

The Coffee and Chats are held every 4<sup>th</sup> Thursday morning of the month. The layout is informal, ample chairs and tables allowing for large and small groups of chatters. Depending on your need you can settle in large groups for a noisy chatter, or sit quietly to chat with one person. It's the perfect place – safe and friendly – for people to talk and listen to each other...and we can pretty much guarantee chat, friendship and laughter from start to finish.

We are understanding more and more that lonely is not necessarily alone. Come along, have a cuppa and see for yourself !!!

The next Coffee and Chat morning is 25<sup>th</sup> February at 10.15, the other dates for the rest of the year are below. **2016 DATES**  
25th February, 24th March, 28th April, 26th May, 23rd June, 28th July  
25th August, 29th September, 27th October, 24th November 29th December

**Surgeries:** I am happy to meet residents at their convenience to discuss any issues. If I can't assist I'll try to find somebody who can. Alternatively I hold surgeries on the following occasions (no appointment is required):

**Surgeries.**

4:30-5pm, Tuesday 2<sup>nd</sup> February, Cowes Library, Beckford Road, Cowes.

5:30-6pm, Tuesday 2<sup>nd</sup> February, Sports Bar, IW Community Club, Park Road, Cowes.

3-3:30pm, Tuesday 9<sup>th</sup> February, Cowes Enterprise College, Crossfield Avenue, Cowes.

11:45-12:15pm, Wednesday 17<sup>th</sup> February, The Woodvale, Princes Esplanade, Gurnard.

6-6:30pm, Thursday 25<sup>th</sup> February, The Portland, Worsley Road, Gurnard.

**Road Works.**

First the Good news! I've been advised that following perseverance and support, Island Roads have moved forward their resurfacing schedule for **Parklands Avenue** from 2017 to September 2016.

Last month, I requested that the gully drainage and ponding which exists in both Parklands Avenue and **Baring Road** is investigated and action taken.

Elsewhere, I received calls from residents concerning roadworks being undertaken by utility companies. Initially this was raised concerning the closure of **Three Gates Road**, however similar issues have been reflected following the closure of **Worsley Road** and **Shore Road** at the same time in Gurnard. Following concerns, I spoke to Contractors and Island Roads. Subsequently, I'm advised it was necessary to close Worsley Road due to the depth of excavations and the narrowness of the road required for contractor to operate within HSE legal requirements.

As a result of weather conditions, this has delayed contractors parking on site. The contractor tells me he shares this frustration, as he is anxious to construct the road to service the new **Glen Place** development.

Cllr John Nicholson and I will be addressing issues concerning the New Roads and Street Works Act 1991 with our MP. Of concern to us, is how this piece of legislation can be potentially abused by Utility Companies undertaking 'Emergency works'. A recent example of bad practice was when **Park Road** was dug up following resurfacing by Island Roads.

**Isle of Wight Council Budget 2016/7.**

I've attended briefings linked to next year's Budget, and how reduced Government funding continues to impact upon how and which services the IW Council delivers.

Proposals on the future of the New Homes Bonus grant, discontinuation of Governments Financial settlement, the impact of the living wage, increasing Adult Social Care costs, and the extent to how local authorities can raise Council Tax is being analysed. This will impact on next year's precept, which is suggested will increase to its maximum level (3.99%)

New means, such as devolution are being explored on how Councils operate in the future. Unless new solutions are found, authorities including the Isle of Wight will fail to fulfil its statutory duties beyond 2017.

In meetings I've attended with Parish and Town Councils, it was made very clear for all Council's to work together to ensure those services considered most important are safeguarded. From my perspective, local councils fully understand the challenges faced and want to more to assist. When transferring services from Local Authority to Town/ Parish Council's, I'm working with colleagues to ensure this can be pursued in an easier way.

In light of this our Council Leader, Jonathan Bacon and our MP are again meeting with Ministers to underline what we believe is a unique case for our Island.

### **Medina Yard.**

Meetings took place between businesses, Executive Members, and key officers to provide an insight as to challenges being faced. From my point of view, it's important for the IW Council to understand the needs of businesses to ensure they receive focused support.

I received some criticism for not opening up the meeting to more Councillors. In this instance, I felt compelled that businesses had the opportunity to be open and frank with Council leaders, and these views were in no way diluted.

### **Volunteer Drivers: Support Needed!**

There is a shortage of drivers from Cowes and Gurnard. The Optio Voluntary Car Service are seeking drivers to support less mobile residents accessing transport to attend appointments at St. Mary's Hospital and Cowes Medical Centre. Because of the shortage of drivers this is receiving is of priority for Optio.

If you (or somebody that you know) might be interested in volunteering, or wish to know more about this rewarding and valuable service, please call 01983 522226.

### **Gritting/ Salting.**

Gritting/Salting routes are:

**In Cowes** (West) these are: Place Road, Park Road, Ward Avenue, Baring Road and Crossfield Avenue.

**In Gurnard** these are: Woodvale Road, Shore Road, Worsley Road and Tuttons Hill.

If you're concerned Gritting/ Salting does not take place, let me know!

Alternatively, Island Roads are available 24 hrs a day, 7 days a week on 01983 822440.

### **Medina Valley Area Action Plan.**

Public consultation on this local area action plan ended last month. Issues which I flagged include:  Removing the settlement boundary from Gurnard.

Safeguarding the Jordan Valley Green Gap, as a means to protect both the Cowes and Gurnard communities from settlement coalescence.

Requesting protection of other green spaces from development These include:

- **Dormers Copse** and Land south of Princes Esplanade, Gurnard and Egypt Esplanade, Cowes,
- **The Luck Valley** bounded by Pallance Road, Cockleton Lane, Marsh Road and Rew Street, Gurnard,
- **Cowes Golf Club**, Crossfield Avenue Cowes.
- **Westwood Park**, Reynolds Close, Cowes,
- **Sports Field, Isle of Wight Community Club**, Park Road, Cowes.
- **The Green**, Crossfield Avenue, Cowes.
- **Mornington Wood and Mornington Green**, Mornington Road, Cowes.
- Land adjacent and north of **Blackberry Lane**, Cowes.
- Grass verges/ open space within & opp. **Magdalen Crescent, Crossfield Avenue**, and west of **Churchill Road**, Cowes.
- Retention of land for Employment use at:
- **BAE Systems, Northwood.**
- **Medina Yard, Cowes.** (ensuring deep water and water frontage is Maintained for marine and maritime industries)
- Supporting the Medina Estuary is designated as a Local Enterprise Zone.
- Supporting the creation of small scale development, prioritising the local need for 1 and 2 property units.

**Also last month:**

- Action was requested and reminders chased up to repair the **street light, Winding Way**. Because of the complex nature of the repair it was necessary to close Shore Road early this month
- Bonfires continue to cause major concern. Last month, it was necessary to request intervention from Environmental Health and action taken which has *(so far) resulted in no further bonfires being lit.*
- Work seems to be commencing on the Range store, in Place Road. Subsequently, residents have approached me concerning this, and to what extent Planning conditions relate to this development.
- **Planning enforcement** action is being pursued regarding air-condition planning conditions at **Mornington Mews.**

**SCOUT REPORT**

The Cubs joined the Scouts for a Party Games evening on our last meeting night before Christmas. It was great for the two sections to get together and enjoy a fun evening with a big plate of snacks and drink to finish with. It was also good that we had the groups music equipment and speakers as this saved the leaders voices.

This year four leaders and thirteen Scouts attended Winter Camp at Gilwell Park, Chingford, Essex from January 8th to the 10th. This was quite an experience with heavy rain and strong winds making the camp site very muddy. Considering the conditions the Scouts managed to take part in many activities that included mini digger driving, mini tanks, target shooting and archery. Well done to all who took up the challenge.

## GURNARD PARISH COUNCIL REPORT **December and January**

At the December and January meetings of the Parish Council the main topics discussed were:

### REPORTED CRIMES

PCSO Derek Howard sent written reports. There have been 6 reported crimes in Gurnard during November and 5 in December. Community priorities remain the same.

### NEIGHBOURHOOD PLAN

Meetings have re-started following the completion of the Landscape Assessment which will provide valuable evidence on the effect of development on the landscape of Gurnard. The next stage is to investigate various potential development sites and decide their suitability. Once all the evidence has been completed and the policies confirmed, the draft plan should be ready for publication for the Isle of Wight Council and Public Consultation.

### OPEN SPACES PROJECT

200 tree samplings have been added to the site, plus the Community Growing Area has been rotivated. On the 24 February, 30 – 40 volunteers from the Green Gym will be clearing brambles and weeds from the site. The only cost to the Parish is £50 expenses. Once cleared, they will be disposing of the brambles and weeds by burning them on site. We apologise in advance for the smoke generated.

### DISCRETIONARY SERVICES

Once again the Parish Council has agreed to fund the grass cutting on the green and top up the statutory service of beach cleaning to an acceptable level. From 1<sup>st</sup> April the Isle of Wight Council will cease funding the provision of public toilets across the Isle of Wight. The Parish Council has completed a visual inspection of the block on The Green and is requesting that the IW Council complete both a structural and drains survey before entering into negotiations. In the short term, councillors have agreed to take on the running costs of facility from the 1<sup>st</sup> April to ensure that it is kept open for use by residents and visitors.

### QUEEN'S 90<sup>TH</sup> BIRTHDAY CELEBRATIONS

In line with many other parts of the country, the Parish Council is organising a "Clean for the Queen" event on Saturday 5 March 2016. This is a community litter pick to improve the environment for residents. All local groups are being invited to get involved, meeting at the Village Hall at 10am.

### WHEELIE BIN ON THE SEAFRONT

The Parish Council has agreed to fund the wheelie bin on the seafront for a further year. The bin will be emptied on a monthly basis in the winter, weekly in the summer and bi-weekly if required. Please make the clerk aware of any problems with litter within the village.

### FUTURE PARISH COUNCIL MEETINGS

The next full Parish Council meetings are at **7.00 pm** on **Thursday 11 February 2016**. Residents are welcome to attend all meetings, which are usually held at the **Gurnard Village Hall, Westbrook Lane**. Please check the Parish notice board and/or the Parish Council's website for meeting confirmation and the agendas - [www.gurnardpc.co.uk](http://www.gurnardpc.co.uk).

**Parish Council cont:-****QUERIES AND QUESTIONS**

If you have any queries or questions that you feel that the Parish Council could help with, please contact the Parish Clerk: **Mrs. Sue Waters, telephone 07443 656480 or email: [gurnardparishcouncil@gmail.com](mailto:gurnardparishcouncil@gmail.com)**. **Gurnard Bay WI**

January

Well here we are again...have you missed Gurnard Bay WI news...If you weren't at the Christmas Party you missed mountains of magnificent food.. Are we all slimming NO! The table looked beautiful decorated by the committee with twinkling lights all down the middle of the table The Entertainment was the very young at heart barber shop choir, Friends in Harmony who continued in the party mood with their jolly renditions of so many songs we knew. **January meeting** was almost a full house with 39 members and welcomed into the fold were guests Sharon and Pauline. We have lost some dear friends over the holiday they are fondly remembered. We have spaces at Denman College so get your names down as soon as possible. Thanks went to Lynn Drew who took our subs for the year in the absence of new Treasurer Wendy Peskett. We have lots of exciting events planned for the year, Beetle Drive ...Village Lunch. ...Quiz Night... Bluebell walk ... the Outing will be in July. A special Afternoon Tea could be offered in June to celebrate the Queen's Birthday. Little snippets of information ...Lynn Drew gave a plea to all members to support the planned meeting for the Solent Group at Northwood WI February 23<sup>rd</sup> to try and keep this little treasure running for the benefit of all members in the area....Newchurch WI have a Snowdrop walk Feb 4<sup>th</sup> with lunch at 12.30. Forestside WI invited us to their Birthday Party at the Holmwood.. we are proud to announce the WI choir are entering the IOW Music Festival, hope you get chance to hear them they are superb. A representative from the Hospice was presented with a cheque for £300.00 our Charity donation for the year 2015.

Mr Nigh talked to us about IOW postcards taking us on a tour of the island and telling us all about his company from days of his grandfather to present day... What treasures he had from 1800's till now. We were taken on a journey of landscapes and fashions and cars and planes and railway stations long gone. Our members haven't been so quiet for a long time, it was awesome... and funny because lots of us could remember so many details in the postcards of long ago, we didn't want him to stop. Liz Downer gave the vote of thanks.

Competition winners IOW tea towel June Powis and Jan Wildish  
Best Bloom Annie Oakley Margaret Collier.
