A LETTER FROM ALL SAINTS'

Hello there!

'Are you ready?' How often have you seen these words or perhaps said or heard this phrase? As a Mum of two young boys I say this phrase every day around 8am as I try to get myself and the boys out of the door for the school run, however I hear it in so many other places and in different scenarios - cooking and eating a meal, commencing a church service, at the tills in Aldi, starting a race.....all the way to solicitors checking whether you are ready for death! Even Google is asking me the question this evening as I type this letter - apparently there is the 2016 Doodle Fruit Games in the latest Google app: dear Lord, and no, I have no idea what it means!

This phrase reminds me of a sketch comedian Michael McIntyre does about trying to leave the house when you have children. Whilst he is a little frenetic in his performance, it is hilarious, true, and hysterical - I would suggest you look it up on YouTube if you haven't seen it! In it he describes, in his most comedic style, the process of getting his family 'ready' to go out in the car and every time James and I are running out of the door trying to herd the boys into the car I think about this sketch and inwardly smile.

But the reality is we have never been more aware of time, or indeed been able to be ready than any other time in history - everything we have has the time on it: our watches (those of us who still wear them!), our phones, all electronic tablets, TVs, set top boxes, I could go on and on. And yet how many times have we had to ring on our mobiles telling the people we are meeting that we are on our way but may be a few minutes late!!!

We are cramming so much in our week, our day, our hours that we are fearful of not saving space and time for ourselves, for those important to us, and for those of us who have a faith - for God. There are a number of stories in the bible about 'being ready': for noticing when God plays a role in our lives, for when we have an opportunity to serve others and serve God, for His return, to name a few. And so, all Christians should be living their lives 'ready', but actually I think we all should be like this otherwise we may miss out.

We have just had a great experience at our first family camp in Corf now our eldest has begun his Scouting journey. I loved my time in Guiding and Scouting and was heartened to find out that the motto of the latter hasn't changed from when I was a girl - 'Be prepared' is what the youngsters are told to be, but how much would we benefit if we all kept to that motto: as Disraeli, British Prime Minister in

the late 1800s said, 'The greatest secret of success in life is for a person to be ready when their opportunity comes.' Disraeli said it, God tells us repeatedly, our nearest and dearest I am sure are regularly saying it - we need to be ready, for all adventures that lie ahead!

Young or old, active or frail, we all have adventures ahead and opportunities to try new or different things every day, whether you want to believe and acknowledge it or not, all we have to do is be ready for them and perhaps be prepared to challenge ourselves to move out of our comfort zones and do something we don't normally do.

So as the children get ready to start a new year and perhaps a new school this month, why don't you join the 'getting ready' gang and look for all the opportunities that pass your way....perhaps one could be entering our Harvest show! (See insert and additional Harvest article inside this magazine!!!) Most importantly don't shy away from any open door, any challenge or something new - as the poster in our hallway says "Life isn't about waiting for the storm to pass but about learning to dance in the rain."

Wishing you every blessing for whatever adventures you are getting ready for this month,

Rev'd Amanda

ITS HARVEST TIME AGAIN!

We in church always thank God for the harvest in September and we always love our Harvest Service in Spencer's Field.....but we also have a very special place in our hearts for our Harvest Show, which is making its second showing this year! We are once again celebrating our gifts and talents – the things we have grown, made, created and baked! After our show last year and speaking to a number of you, we have changed and adapted the classes available for you to enter, which you will find listed in the show's 'Schedule' which is enclosed in this parish mag.

Once again, we want as many entries as possible (entry forms are in the Gurnard shop and newsagent, the Portland Inn and The Woodvale Hotel) and you don't need to be a medal winning pro to enter as the emphasis is once again on fun, enthusiasm, pride and joy in what you have created and achieved, whatever standard it is!

So have a look at which class(es!) you could enter and more importantly come along to the festival itself: 17th Sep between 10.30am and 3pm.

Come and see the entries, have some lunch or just cake, watch the young ones fly on the bouncy castle, view the stalls and be part of another great community event in our wonderful village!

Surgeries: I am happy to meet residents at their convenience to discuss any issues. If I can't assist I'll try to find somebody who can. Alternatively I hold surgeries on the following occasions (no appointment is required):

Surgeries

3:30-4pm, Tuesday 6th September, Cowes Library, Beckford Road, Cowes.

4:30-5pm, Thursday 8th September, Sports Bar, Isle of Wight Community Club, Park Road, Cowes.

12-12:50pm, Tuesday 13th September, The Woodvale, Princes Esplanade, Gurnard.

1-1:30pm, Wednesday 21st September, The Little Gloster, Marsh Road, Gurnard.

3-3:30pm, Wednesday 21st September, Cowes Enterprise College, Crossfield Avenue, Cowes

6-6:30pm, Thursday 29th September, The Portland, Worsley Road, Gurnard.

Waste Updates.

New Wheelie Bins and Food Caddies were issued to the new households in **Glen Place**. I am aware there remains confusion over what goes out and when. Please note most rubbish is now recyclable. Items that *currently* cannot be recycled and must be deposited in the black wheelie bin are:

Nappies, Sanitary Products, Animal Waste, Polystyrene, Plasters and dressings, Cold Ash, Sweet and crisp packets contaminated with food oil, Bubble wrap, Foil pet food pouches and pill blister packs. Please let me know if you have any questions, or if you have not received your receptacles.

Public Footpaths.

The IW Council are currently consulting on making the Islands Public Rights Of Way better. This continues until 16th September. Please visit www.iwight.com/consultations for details. Following a landslip the footpath CS4 linking Battery Road and Egypt Esplanade has been closed. Ground movement continues to be monitored, and the footpath will be reinstated once movement has stabilised. Discussions will take place this month between Natural England and Rights Of Way on the England Coast Path and the role and responsibilities for the Isle of Wight. I am positive that discussions will soon take place between residents and landowners affected.

The future for the Isle of Wight Council: Your views sought!

A number of residents regularly asked me what is devolution, and will the Isle of Wight really be absorbed into Hampshire in the coming years? Without me pre-judging what residents think, there is an ongoing consultation underway through a 'Solent Deal' partnership with our neighbouring Southampton and

Portsmouth Unitary Authorities. This consultation continues until 18th September. To find out more and take part please visit: www.solentdeal.co.uk/

Cowes Week.

Council-wise, Cowes Week was ever busy. Parking complaints and ensuring litter bins were emptied took up a significant amount of time this year. In advance of the holiday season the Council was persuaded to empty its bins on Gurnard Green daily, whilst I also required support from Environment Officers following an increase in beach parties this year. In addition during the summer the Marine Police were notified following jet-skiers coming in close to swimmers on our local beaches at both Cowes and Gurnard.

Hedgerows

Please continue to report overgrown hedgerows! Now the bird nesting season has concluded action is underway to deal with the consequences of this year's growing season. With Rights Of Way, these are taking longer than usual. In the meantime, please keep in touch and let me know of any issues which you are aware of!

Double Yellow Lines.

In the last few years I've received a number of requests for double yellow lines- But are there locations where double yellow exist, where you feel they are no longer needed? If so, please let me know!

Planning Applications.

Planning Applications for a new boat store in Marsh Road was conditionally approved. Following representations received, Planning Officers have confirmed the ridge height to not exceed 4.5m. On the former Gurnard school site in Cockleton Lane conditions have been amended to remove the pedestrian access to link the new development with Hilton Road. This follows comments from both myself, Gurnard Parish Council and Island Roads who raised concerns about this. On this matter Planning Officers considered these grounds were unsustainable to call-in this decision. One proposal to redevelop a property in Shore Road was conditionally approved, whilst another more controversial application was refused by Planners.

I met with residents from Marine View Close concerned with an application for nearby Queens Road. This proposal has been withdrawn by the applicant, and I'm ever hopeful that dialogue can take place between the applicant and neighbours affected.

There are a number of ongoing Planning Enforcement matters currently being pursued both in Cowes and in Gurnard. Enquiries are ongoing at Gurnard Pines, where a number of residential occupancies are alleged to be taking place in dwellings consented for tourism/ holiday only use.

Highways Matters.

Ward Avenue was reinstated ahead of schedule, whilst footway resurfacing is pending for Lammas Close and King James Close. Elsewhere, I've received an initial confirmation from Island Roads that Shore Road is due to be resurfaced 'mid-October', whilst I'm awaiting a confirmation for a start date for Parklands Avenue.

Street Naming: New Development, Place Road.

I've been approached by the developers of new homes to be built off Place Road. Standing by their commitment to engage with the local community, they have asked me, to ask for suggestions from the community to help potentially name roads for this new development. Initial suggestions put forward include **West Solent Park**, as the name for the new development, whilst Old Oak Road, West Point Road, Wild Cherry Road/ Drive are suggested as names for roads. The developers will market this as a prestigious housing scheme and they have requested that names should reflect this. They also suggest referencing the church and its spire, on the opposite of the Jordan Valley. If you have alternative ideas for the name of this new development and its roads, please let me know and I will forward these to developers and Gurnard Parish Council. As an added incentive, the developers are offering 3 x £50 meal vouchers at local restaurants for the best suggestions! The deadline for suggestions is **12 noon, Monday 5th September.**

SCOUT REPORT

Our Group Awards and AGM was held on Gurnard Green at the end of the Summer term.

We decided this year to do an 'American Supper' which provided plenty of food from the families and friends who came along. There was bright warm sunshine for the evening as each section gave brief reports on the years activities.

Many congratulations must go to all who received an Award and to the leaders, instructors and supporters who have helped make Gurnard one of the largest groups on the Island.

Mandy Holloway, County Commissioner for the West-Wight ,presented Lee Torrance with a 5 year award as ACSL and Ryan Copeland made the Scout Promise to take on the roll of ASL. Emma Wyeth was awarded the Cup for 'Scout of the Year'.

There was a good number at Family Camp Corf, this took place from August 5th.to 7th.with a programme that included Zorbing, Climbing, Kayaking, Paddle Boarding and Tomahawk Throwing.

Plenty to keep everyone occupied and a big thankyou to Ric Ambridge and his team for sorting this out.

Gurnard Bay WI JULY 16

Who can believe it we are in September already. Our July meeting was the hottest day of the year and stalwart as the WI ladies are there was a good turnout... We will have to revive the fans of yesteryear, but thanks to our village hall committee we have the modern ones dotted about the hall. With the windows and doors open we settled down to our meeting. Mark Earp gave us an extremely fascinating talk on the history of Eccentric Women of the Isle of Wight; Joy Ash thanked him on behalf of us all.

Our President pointed out the terrible smart new notice board in case you haven't noticed it yet, she informed us Val Cleary is compiling the new programme, and the outing to Windsor was superb thanks went to Marie Hunter who organised the day, with sunshine wall to wall, Lynn Drew carried out the 'mothering' during the journey in Marie's absence.

The WI is making enquiries about a dedicated seat being added to the village. June Scott gave us details of the August walk, meeting at the White Horse Inn at Whitwell lunch to follow.

Ann Spall gave us a short report on her visit to Denman College, with encouragement to enrol for some exciting courses.

The Portland will offer a great selection of cask ales, beers, craft beers, ciders and selection of wines which will complement our menu

Join us for something to eat, well-cooked pub food is where we begin, with the addition of our Chef's daily specials keeping our menu interesting.

Our menu is about seasonality and great taste, with meals produced on the premises using as much local and seasonal produce as possible. Our talented Head Chef James Wooler builds his menus to include carefully sourced ingredients from Isle of Wight suppliers, his Chefs specials will change daily dependant on availability.

Many of our dishes have a lite bite option for smaller appetites.

We offer a private dining area that seats up to 20, whether its for a large group to eat from the menu or a special celebration our Head Chef will tailor a menu to suit your tastes and occasion.

We are a Dog friendly pub so you are welcome to bring in your well behaved four legged friends.

Dogs are allowed in the bar areas and must be kept on a lead at all times.

Get them to sniff out the treat jar for a doggie biscuit.

Don't just take our word for it...

Robert, 'Excellent'

"I use WightFibre for both my home and business and cannot fault the service received so far. Speed is exactly as advertised with no downtime experienced since signing up 18 months ago. Installation team turned up on time and did a nice, tidy job."

Lucy, 'Brilliant Service'

"Living remotely, broadband speeds for us were similar to the old style dial up speeds. Now using Wightfibre which has given us 17 x faster internet! Great company and friendly staff. Would have no hesitation recommending this company."
